Home of the Blue Devils

Nongongoma Majova-Seane, Principal

Chris Crider, Athletic Director

Rob Burnett, Head Coach Boys' Basketball

Dear Stanton Supporter,

Stanton College Preparatory School's athletic department is asking for your support. As you may know, there are a lot of expenses associated with athletics at the high school level and we're in the process of trying to take our programs to new heights.

The district or state does not fully fund the department, so we rely on the generosity of supporters like you, to enhance the experience for our student-athletes.

Being a sponsor not only shows support to the community, but it highlights your product, services, or business. To offset the cost of our expense of a new score table, we are offering signage on the new table, and a banner on a fence or in the gym to highlight your business or family contribution.

Please send a check (\$400 for both a digital sign and banner hung up or \$250 for just the digital option) and artwork (to criderc@duvalschools.org) by October 19th and make payable to:

Stanton Athletics
1149 West 13th Street
Jacksonville, FL 32209
Attn: Coach Crider

\$400

\$250

Or pay online:

Thank you for supporting our program! Feel free to contact me if you have any questions.

Sincerely,
Chris Crider
Athletic Director
