Dear Potential Patron,

Stanton College Preparatory School's football team is asking for your support. Coach Carter is ready to bring his alma mater to new heights. The Stanton Football team had a great spring with nearly 50 players out there and had a nice showing against Ribault with a defense that turned the Trojans over six times! We would love to keep this momentum, but we still have a lot of needs.

Prices are up across the board on equipment, uniforms, food, etc., so the generosity of businesses like yours would go a long way! Being a sponsor not only shows support to the community, but it highlights your product, services, or business. Please choose the size of sign that best suits your organization. Submit artwork to criderc@duvalschools.org. Please print this page and indicate which size you would like and make checks payable to Stanton Athletics Booster Club or visit <https://www.stantonathletics.com/varsity-football>, to pay online.

Regular: \$250

Medium: \$500

Large: \$1000

Thank you for supporting our program!
Feel free to contact me
(criderc@duvalschools.org) or Ryan
Carter at (carterr@duvalschools.org), if
you have any questions.

Sincerely,
Chris Crider
Athletic Director
